BlueChoice Advantage 2.0 Summary of Benefits

Note: Allowed Benefit is the fee that participating providers in the network have agreed to accept for a particular service. The participating provider cannot charge the member more than this amount for any covered service. Example: Dr. Carson charges \$100 to see a sick patient. To be part of CareFirst's network, he has agreed to accept \$50 for the visit. The member will pay their copay/coinsurance and deductible (if applicable) and CareFirst will pay the remaining amount up to \$50.

* No copayment or coinsurance.

- ¹ When multiple services are rendered on the same day by more than one provider, Member payments are required for each provider.
- ² In-network: When covered services are rendered in Maryland, Washington D.C. and/or Northern Virginia, collectively known as the CareFirst BlueChoice service area, by a provider in the CareFirst BlueChoice Provider network, care is reimbursed at the in-network level. In-network benefits are based on the CareFirst BlueChoice Allowed Benefit. The CareFirst BlueChoice Allowed Benefit is generally the contracted rates or fee schedules that CareFirst BlueChoice providers have agreed to accept as payment for covered services. These payments are established by CareFirst BlueChoice, Inc., however, in certain circumstances, an allowance may be established by law. Outside of the CareFirst BlueChoice service area, but within the remaining parts of the state of Virginia, services will be reimbursed under a select network, Anthem HealthKeepers, fee schedule based on the contracted rates and fee schedule by the local plan. Outside of the CareFirst BlueChoice service area, when covered services are rendered by a provider in the preferred provider network, care is also covered at the in-network level. These in-network benefits are based on the contracted rates or fee schedules that preferred providers have agreed to accept as payment for covered services that are established by the local Blue Cross and Blue Shield Plan, however, in certain circumstances, an allowance may be established by law.
- ³ Out-of-Network: When covered services are rendered by a provider that is not in the CareFirst BlueChoice network in Maryland, Washington D.C. or Northern Virginia, or is not in the preferred provider network outside of CareFirst BlueChoice service area or the local select network, the care is reimbursed as out-of-network. Out-of-network benefits are based on the Allowed Benefit. The Allowed Benefit is generally the contracted rates or fee schedules that are established by CareFirst BlueChoice, or the local Blue Cross and Blue Shield Plan, however, in certain circumstances, an allowance may be established by law.
- ⁴ For family coverage only: When one family member meets the individual deductible, they can start receiving benefits. Each family member cannot contribute more than the individual deductible amount. The family deductible must be met before the remaining family members can start receiving benefits.
- ⁵ For family coverage only: When one family member meets the individual out-of-pocket maximum, their services will be covered at 100% up to the Allowed Benefit. Each family member cannot contribute more than the individual out-of-pocket maximum amount. The family out-of-pocket maximum must be met before the services for all remaining family members will be covered at 100% up to the Allowed Benefit. The out-of-pocket maximum includes deductibles, copays and coinsurance.
- ⁶ Plan has integrated medical and prescription drug out-of-pocket maximum.
- ⁷ CloseKnit is a registered Trademark owned by, and is the trade name of, Atlas Health, LLC. Services performed by any other provider while inside the CareFirst Service Area will be considered Out-of-Network. Members accessing laboratory tests, x-rays, and specialty imaging services outside the CareFirst Service Area may use any participating BlueCard PPO facility and receive In-Network benefits.
